

Merrimack County Conservation District

presents

Back to Basics Soil Workshop

At McAuliffe-Shephard Discovery Center

2 Institute Drive, Concord, NH

December 15, 2017

9 am - 4 pm

Lunch included

\$60 Registration Fee

This basic workshop explores the many aspects of the world of soil. Geared towards septic installers and designers, planning boards, municipal professionals, conservation commissions, educators, and others, attendees will enjoy learning about topics such as:

- ❖ Introduction to NH Soils
- ❖ Geology of NH
- ❖ Soils & Climate
- ❖ Wetland and Forest Soils
- ❖ Basics of Erosion Control
- ❖ Soil Testing & Selecting Seeds
- ❖ Seed Selection and Growth
- ❖ National Soil Database

Vendor exhibits and self-directed demonstrations will be ongoing throughout the day.

Please check www.merrimackccd.org for updates on sessions and presenters.

NH DES Subsurface Bureau - 6 CEUs

Please return form by December 6th. Register early as space is limited.
Checks should be made payable and sent to: Merrimack County Conservation District

10 Ferry Street, Suite 211, Concord, NH 03301
