

Merrimack County Conservation District invites you to a

Soil Field Day

A basic soil properties workshop

Two days to choose from (only register for ONE day):

Thursday, October 11th, 2018 OR Friday, October 12th, 2018

**Begins at the Riverhill Grange, 32 Horse Hill Road, Concord and
Concludes at Carter Hill Orchard, 73 Carter Hill Road, Concord**

9 am – 4 pm

Cost: \$35

Please bring your own lunch.

This field day is geared towards: teachers, planning boards, code enforcement officers, conservation commissions, septic designers and installers, foresters, and any interested citizens.

Soil profiles to expect:

- Dense basal till (hardpan)
- Basal melt out till (sandy pan)
- Outwash (sands)

Confirmed Speaker:

Retired USDA NRCS Soil Scientist Joe Homer
Pits will be interrupted by certified soil and wetland scientists

CEU's:

- NHDES Subsurface Bureau – 6 credit hours
- EnviroCert International – 6 credit hours

Please return form by October 1st and make checks out to:

Merrimack County Conservation District

10 Ferry Street, Suite 211, Concord, NH 03301

For questions, please contact the District at 603-223-6020 or email info@merrimackccd.org.

A confirmation email with directions will be sent a week before the class.
