

Merrimack County Conservation District invites you to a

Soil Field Day

A basic soil properties workshop

Register early! Space is limited for this workshop.

Friday, October 27th, 2023

Merrimack County Farm, 333 Daniel Webster Highway, Boscawen

9 am – 4 pm

Cost: \$45

Please bring your own lunch.

This field day is geared towards: teachers, planning boards, code enforcement officers, conservation commissions, septic designers and installers, foresters, and any interested citizens.

Soil profiles to expect:

- Dense basal fill (hardpan)
- Basal melt out till (sandy pan)
- Outwash (sands)

Confirmed Speaker:

Retired USDA NRCS Soil Scientist Joe Homer
Pits will be interpreted by certified soil and wetland scientists

CEU's:

NHDES Subsurface Bureau – 6 credit hours

Please return form by October 25th and make checks out to:

Merrimack County Conservation District

10 Ferry Street, Suite 211, Concord, NH 03301

For questions, please contact the District at 603-223-6020 or email info@merrimackccd.org.

A confirmation email with directions will be sent a week before the class.
