Concord, NH 03301*

The Merrimack County Conservation District (MCCD) is a non-regulatory public agency that works in partnership with the USDA Natural Resources Conservation Service (NRCS) to help land owners and users in Merrimack County manage their soil, water, forest, and other natural resources.

We serve residents, town officials, educators, members of nonprofit organizations, and others in the 27 towns that make up Merrimack County.

SOIL STEAMER

Merrimack County
Conservation District

*Conserving the natural resources and
cultural heritage of Merrimack County*

The MCCD now offers the rental of their Sioux Model SF-20 Soil Steamer to local fruit and vegetable growers starting in 2024.

The Sioux Steam-Flo® steam generator is a perfect source of low-pressure steam for a managing variety of weed and disease management, container sterilization, and pollinator site preparation.

Soil Steamer transport includes a trailer and requires a 2 and 5/16 ball hitch for towing.

Once set up on site you will need access to a source of water and electricity.

OTHER RENTAL EQUIPMENT

- Compact Constant Head Penetrometer (aka Amoozemeter)
- Mechanical Aerator
- Narrow Ash Wood/Lime Spreader
- Soil Penetrometer
- Skidder Bridge

If interested, please contact the District at (603) 223-6020 or info@merrimackccd.org.

SOIL STEAMER RENTAL

Soil steaming on farms is an emerging technology that is being utilized to manage disease, weeds, and pests in high tunnels.

Industrial steam generators produce from 370-3,450 lbs. (168-1,564 kg) per hour of saturated steam in minutes.

RENTAL RATE

\$100/high tunnel or \$100/day for any other use
