**Order pick up information:**

Pick-up locations will be finalized after the order deadline for each mix. The more orders we receive, the more locations there will be. At a minimum, seed will be delivered to the Concord area, and the Orford area, so please plan to drive to whichever of those locations is closest to you to retrieve your order. You must make arrangements to pick up your order, we are not able to deliver to individual farms at this time. If we are able to, we will have additional pick up locations that may be closer to your farm. You will be notified when and where to pick up the seed- it will be shortly before the recommended planting window.
