NH Conservation Districts Climate Resilience Grant

In Kind Contribution Tracking Form

In an effort to value the time and equipment resources each farm is contributing to this project we have created this tracking form to help you document your contribution. Please plan to submit this with the final report and other invoices for supplies and contractors.

If you have any questions, please contact us via email or phone.

Suggested Rates:

Farmer time is valued at $40/hour

Equipment time is valued at $40/hour

Example: A farmer uses a backhoe for 8 hours to complete tasks outlined in their project work plan. This will be valued at $640 ($40/hour for 8 hours for the farmer and $40/hour for 8 hours for the equipment) If it is a farmer's time without the use of heavy equipment it would be at a value of $320.
